

Circuits for Movement

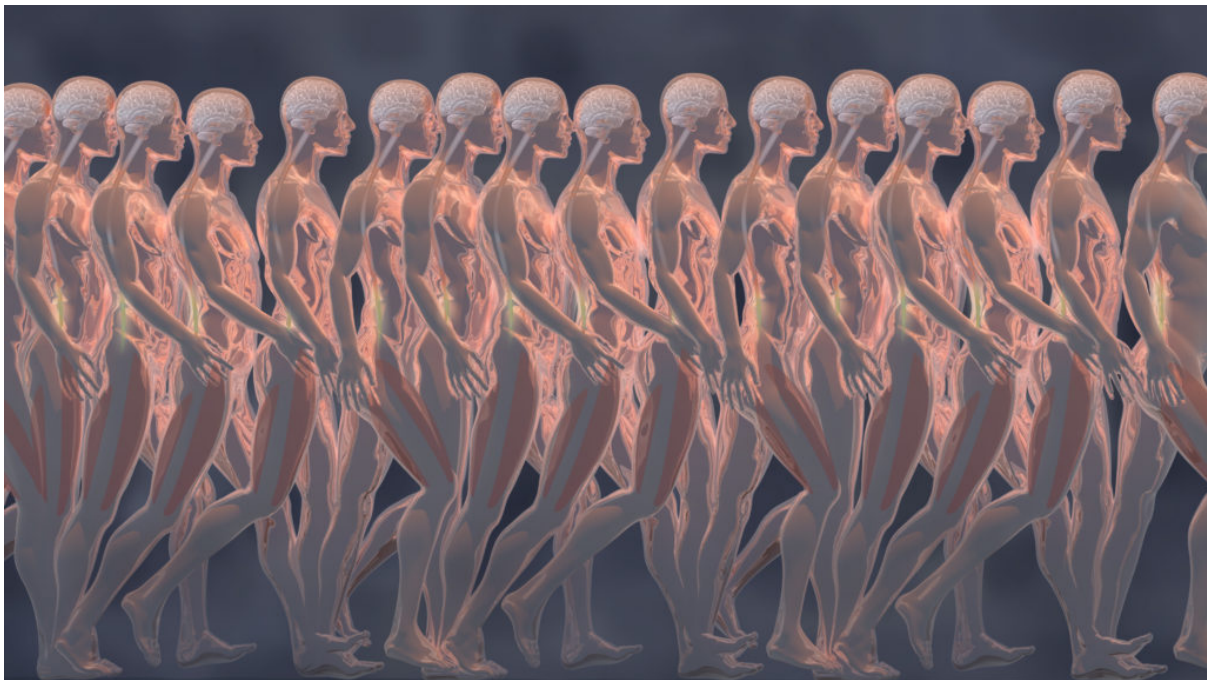

The Brain Conference June 2024

16-19 June 2024

[Rungstedgaard](#), North Copenhagen, Denmark

This upcoming Brain Conference will focus on recent advances in understanding organisation and operating principles of neuronal circuits for motor control. Featuring the latest experimental and computational approaches, it will highlight how cell types are organised into specific networks to contribute to motor function from microcircuits to systems level, how motor and sensory information is integrated to produce adaptive behaviours, and compare principles in the motor system organisation and function across evolution.

The conference has been organised to create an interactive space with additional short talks from submitted abstracts and posters that will facilitate participation from a diverse cross section of neuroscientists working on sensory-motor systems.

Co-Chairs:

- [Silvia Arber](#), University of Basel & FMI, Switzerland
- [Martyn Goulding](#), The Salk Institute & University of California, United States
- [Ole Kiehn](#), University of Copenhagen & Karolinska Institute, Denmark

The list of speakers and the programme are available on the [Brain Conference](#) website page.

The **conference fee** includes:

- registration, programme book with abstracts and meeting costs
- abstract submission and poster presentation
- all meals, coffee breaks and drinks
- conference Farewell Dinner (19 June).

The social event will consist of a guided visit to [Louisiana Museum](#).

► **General Cancellation Policy**

Should you need to cancel your participation, please contact the conference coordinator (brain@fens.org) immediately. If notice of cancellation is received more than two weeks before the conference, the paid registration fee will be refunded.

How to reach Rungstedgaard from the Copenhagen central airport (CPH Kastrup)?

You can easily reach the conference location: there are trains from the Copenhagen central airport Kastrup (**CPH Lufthavn**) to Copenhagen Central station (**København H**), where you can swap to a train to **Rungsted Kyst** station, which is 1,6 km distance from the conference venue/Rungstedgaard.

Connections are available every 30 minutes, as per the following algorithm:

xx:15 (hour:minutes)

xx:45 (hour:minutes)

You will take the train to Østerport and descend at the central station (København H), where you have 15 minutes to swap to the train to Nivå St. There are 6 intermediate stops until Rungsted Kyst St. The duration of the trip is about 1 hour:

16:30	CPH Lufthavn	Pl. 2
	Re 1097 → Østerport 15 min., 2 Intermediate stops	▼
16:45	København H	Pl. 2
17:00	København H	Pl. 3
	Re 2244 → Helsingør St. 30 min., 6 Intermediate stops	▼
	<p>⚠ Elevatoren på København H ved spor 3 /4 på Tietgensbroen er ude af drift</p> <p>♿ Toget har lav indstigning</p> <p>🚲 Bicycle reservation required</p>	
17:30	Rungsted Kyst St.	Pl. 1

Train tickets can be bought at the airport. The train ticket office should be located near the metro and railway station, simply follow the signs in the airport for the train station. When buying the train ticket at the machine, please enter the arrival station (Rungsted Kyst St.), select your preferred journey (see screenshot), and select "Single ticket DSB". The price of tickets should be around 60 DKK (approx. 9 EUR). You can also buy it with one of the staff at the airport train station. This is the correct ticket:

You can check travel times online using the travel planner:

There is also an app you can use:

<https://www.dsb.dk/en/tickets-and-services/dsb-app/>

Note: the travel planner and app by default recommend you take the metro M2 from the airport and then swap to the train at Nørreport St. This is also an option and the journey is a bit shorter (51 minutes), however it can be difficult to navigate as you have to exit the metro station completely and then find and enter the train station. If you nonetheless prefer to take this option, the tickets are purchasable in the same way as above, you just have to select this journey as an option when buying the ticket.

Once at Rungsted Kyst station, the Conference Centre is about 20 minutes' walk from the train station (1.6 km, see below map).

We recommend to avoid taking a taxi instead of public transport as the prices are very expensive. Nevertheless, if you are departing the conference early and public transport is not available for your departure time, please check with the venue for assistance in booking a taxi. We recommend checking with other attendees if they wish to share a taxi, in order to split the high fare.

► **Poster boards**

The poster board dimensions for the scheduled Poster Sessions are of 1 meter wide and 2 meters high (portrait format). Please note the venue does not have the facilities to print posters.
